REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2012-13 school year has marked another year of distinction at Allendale Elementary. We are a data driven school, using a wide variety of student assessments from teacher observations, checklists and classroom tests to district benchmark tests and state-mandated tests, all to meet the individual needs of our students. We continue to strive to make our school the best it can possibly be. Allendale Elementary is a learning community focused on the success of every child. Commitment to academic excellence and personal growth for all children is a source of pride for students, parents and staff. Through collaboration and teamwork, we support and challenge our students by engaging them with learning tools and opportunities that enable them to become 21st century learners and responsible citizens.

We have 100% highly qualified staff. Our teachers work diligently to improve student achievement. Our teachers participate in professional development activities, graduate classes, and workshops to improve their knowledge of effective instructional strategies and expand their repertoire of activities for their classroom. Incorporation of activities such as Success for All, Alphie Tutoring, math manipulatives, technology, as well as strategies for learning have provided all students a chance to learn and grow.

We continued our commitment to our community by providing ways for our students to contribute to local efforts.

We participated in the American Cancer Society Relay for Life, The Angel Tree toy and clothing drive, and the American Heart Association Jump Rope for Heart. In fiscally challenging times, we continue to seek ways to reduce expenses and identify alternate revenue streams, while optimizing the use of our resources for the benefit of our school and the community. The school actively pursues other sources of funding and services by obtaining a variety of grants.

What we are doing at Allendale Elementary is working! Our efforts reinforce our educational mantra and serve to further support a cooperative learning spirit that is cultivated as a benefit to our students and the community that supports them. Allendale Elementary is a proud extension of the community that bears the same name – a community that continues to champion our cause for educational excellence.
